# WELCOME TO VERSA

## THE HOME OF VERSATILE, FLEXIBLE AND SPACE-EFFICIENT FURNITURE FOR MULTI-USE ENVIRONMENTS.

Whether you're looking to **solve space problems** to increase capacity, or you have furniture storage issues, we have the ideal solution for you.

The Versa range of **mobile folding tables** is perfect for primary and secondary schools, colleges and universities, and any other environments where space is at a premium. In short, we help to create the most **optimised space** to suit your own particular requirements.

We at Westcountry Group understand the needs of schools and colleges and know that the right environment is crucial for delivering an **effective and compelling dining and learning experience**. Our versatile fixed and mobile tables help to maximise space and deliver flexibility without the need for expensive construction or bulky unmanageable furniture.

We offer a full space-planning and design service and can even **customise** the tables with graphics to match your school or college branding. Let us take your vision through from concept to completion.

# Wall Pocket

## OUR LEGENDARY SPACE SAVER

The world's most space-efficient dining table system

FREE LIFETIME WARRANTY

**THE WALL POCKET SYSTEM IS THE PERFECT ANSWER FOR DINING IN MULTI-USE HALLS. WHEN THE TABLES ARE STORED, YOU HAVE A USEFUL MULTIPURPOSE ROOM, BUT WHEN NEEDED, THEY CAN BE UNLATCHED FROM THE WALL POCKET AND EASILY SET UP FOR USE IN SECONDS.**

Such flexibility is invaluable for facilities where floor space and storage are at a premium. Think of the Wall Pocket as the chance to add an extra room to your school. It's like an extension without the need for planning permission! The store room that has always held your dining tables is now empty to be used for PE equipment or a new learning space. Best of all, you can fit more students in without cluttering up your hall with extra furniture.

The Wall Pocket is available as either a recessed version that sits flush with the hall wall or a surface-mounted version that is quickly fixed to an existing wall. The tables can also be customised with images or logos of your choice to add art to your hall and the whole dining experience.

*It takes just 8 minutes for one person to set out our Wall Pockets for lunch, that's seating for 240 pupils*

## FEATURES & BENEFITS

**Multi-use Flexibility** - Wall Pocket's ease of use enables your hall to be used for other activities for longer every day.

**More Dining Space** - the dining capacity of your hall is increased whilst using less space and Wall Pocket frees up the existing table storage facility for other uses.

**Quick Set-Up** - Canteen staff love Wall Pocket - it cuts room set-up time and saves effort on heavy manual handling.

**Quieter and Safer Environment** - Wall Pocket removes the noise and safety risks associated with loose chairs, improving the safety in your dining hall. Supervision and monitoring is easier too.

**Versatile Configurations** - Wall Pocket allows your hall to be easily reconfigured as a lecture theatre and learning zone in a matter of minutes.

Tables and benches can be removed individually from their pocket; use as many or as few as you want.

**Cost Effective** - Initial building project costs are reduced – there's no need to allow for table storage space.

### SAFE OPERATION

Tables and benches both feature the Lift Assist System for safe, controlled handling.

### LIMITED ACCESS

New mullion lock secures tables/benches in stored position preventing unauthorised use.

- Surface mounted and wall-recessed options available
- Ultra-durable and hygienic table and bench surfaces
- Tamper-proof and moisture resistant polyurea edging ensures longevity

- Available in a wide range of frame and table/bench colours – see availability chart on p20
- Custom-print the tables for your own piece of wall art – image or logo of your choice

- Shorter 3.6mtr Wall Pocket system also available, please enquire
- The Wall Pocket systems are covered by a lifetime warranty when the service and maintenance contract is signed up for at the time of order

## POCKET DEPTH

\*Excluding gaps between tables. All dimensions given are approximate.

SEE PAGE 06

to read how Wall Pocket can transform a sports hall to a dining hall

# Wall Pocket PROJECTS

## A SPACE-EFFICIENT SOLUTION - LITTLE ILFORD SCHOOL

This was a new build so our team were able to recess the pockets into the wall, meaning they take up absolutely no storage space. Each individual pocket stores three tables and six benches which seats up to 60 students. The furniture is all free-standing, meaning the school can use as much or as little as they require. They're certainly proving the benefits of such a versatile and space-efficient solution.

*“They're a great idea, they pack away in no time and I think most schools should have them – great product!”*  
Site Manager

## FREEING UP SPACE IN A MULTI-USE HALL - BOXGROVE PRIMARY SCHOOL

Boxgrove's multi-use hall was the perfect candidate for the Wall Pocket system. The school had recently knocked down a wall between their two halls, leaving them with a long room – perfect for the quadruple and triple wall pockets we supplied. The tables were installed in the schools brand colours to create a sense of identity, and have freed up lots of space, meaning the hall can be used for other activities for longer each day.

*“We are extremely pleased with the Wall Pocket system as it is quick and easy to use. It has created more space in the dining hall and looks very stylish and modern.”*  
School Premises Manager

## ULTRA SLIM, ULTRA COMPACT

Stores in 44% less space than standard folding dining tables

OVER 100 STANDARD COLOUR OPTIONS

mix and match table-top and bench colours

FREE LIFETIME WARRANTY

## THE BENCHMARK TABLE IS QUITE SIMPLY THE MOST SPACE-EFFICIENT MOBILE TABLE IN THE WORLD.

The ultra slim and ultra compact design offers adjustable table heights - a Versa exclusive - accommodating your everyday cafeteria needs for primary schools, secondary schools and colleges.

The Benchmark is an industry leader in compact storage - six tables require less than a 5ft3in x 7ft4in footprint, whilst each additional table adds just 11-inches to the nested depth. With the Benchmark, space optimisation comes as standard.

The extended tabletops offer extra room per student and end-to-end positioning with no gaps between tabletops. When you experience Benchmark for the first time, you too will understand why it's the world's most space efficient table.

To discover how Benchmark could transform your school dining room or for a no-obligation quote call us today on

**0330 030 0330**

## FEATURES & BENEFITS

**Compact Storage** - six Benchmark tables require a footprint of less than 1.6m x 2.24m (5ft3in x 7ft4in) with each additional table adding just 28cm (11in).

**Increased Dining Capacity** - you'll fit more Benchmark tables in your storage area - that means more capacity in your hall without taking up more room.

**Easy Action** - Lift Assist System provides smooth, controlled operation - the easiest lifting tables in the UK.

**Safer Dining** - stable in both the down and upright positions, thanks to locking latches, anti-glide legs and DoubleGuard anti-tipping feet.

**Customisable** - each table can be customised with a graphic of your choice. Break free from the ordinary cafeteria look and display your school's personality!

- Ultra-durable and hygienic table and bench surfaces
- Practical - Three different table lengths to choose from and each table extends beyond the bench for comfort on the end seat
- Tamper-proof and moisture-resistant polyurea edging ensures longevity

- Available in a wide range of frame and table/bench colours
- The Benchmark tables are covered by a lifetime warranty when the service and maintenance contract is signed up for at the time of order

### ANTI-GLIDE LEGS

Patented legs prevent table movement and protect the floor

### COMPACT STORAGE

Benchmark takes up 44% less storage space than other table brands

### DOUBLEGUARD®

prevents tip-over when tables are upright - stays flush with table when lowered

### EXTENDED TABLETOPS

Provide extra room per student and end-to-end positioning

### HEIGHT

Industry exclusive! Table top can be height adjusted to either 69cm, 74cm or 76cm

6 tables nest together in a stack just 211 x 161cm

Height: 192cm, 162cm or 131cm

Depth: 84cm

Width: 140cm

“We love our Benchmarks; at last we can get all of our dining furniture into our store”

# Benchmark PROJECTS

## A COMPACT, DURABLE RESULT - WESTCLYST PRIMARY

The new-build Westclyst Primary Academy chose the Benchmark table as they'd previously had them in other trust schools and found them to be very popular with staff and students. They also liked that the tables provide exceptional value for money, quality design and come with a reassuring 15-year warranty.

*“We find them extremely good value for money... they are a quality imported product and I'd thoroughly recommend the Benchmark table system to anybody.”*

Trust Business Manager

## BRIGHT AND BEAUTIFUL CUSTOM GRAPHICS - COMBE PAFFORD SCHOOL

Versa's Benchmark table was the perfect solution for this special school who wanted to create the wow factor in their hall. Our design team helped source exactly the artwork they were after which has created a fun, colourful and engaging dining solution for the students. Multiple safety features ensure the tables will remain secure and easy-to-operate for many years to come.

*“We are delighted with the new dining room tables which are space saving and quick and easy to use! The children like the table top designs and it has brightened up the lunchtime experience whilst promoting healthy eating!! Definitely recommend them to others!!”*

Head Teacher

# Espresso

## MOBILE CAFETERIA TABLES

Stylish, durable and lightweight - adding a touch of café culture to your school

### STYLISH, DURABLE AND LIGHTWEIGHT – OUR ESPRESSO MOBILE CAFETERIA TABLES ADD MORE THAN A TOUCH OF CAFE CULTURE TO YOUR CAMPUS DINING AREA.

Until now the only way to enjoy round ‘café style’ tables in a multi-use hall was to buy cheap, flimsy tables which were decidedly lacking in aesthetics! Turning these tables over to fold them up every day is both difficult and unwieldy, taking time and resulting in potential health implications. That’s all changed with the arrival of Espresso.

You want portability and versatility? Espresso will allow you to quickly change your school hall’s identity. From indoor tennis court to food court in about the time it takes a barista to make a fresh cup of Italian coffee!

The Espresso cart holds up to 20 tabletops, 20 bases and 40 columns which can be set up in your hall in no time at all. And when you’re done, they can be effortlessly stored away on the compact cart taking up just 82 x 144cm of space.

To find out more about the Espresso tables call us today on **0330 030 0330**

### FEATURES & BENEFITS

**Lightweight** - Espresso tabletops are effortless to lift and manoeuvre - up to 50% lighter than standard tabletops.

**Portable** - Espresso tables can be easily moved from location to location; each cart holds up to 20 tables and can be wheeled wherever you want.

**Requires no tools** - each Espresso component simply twists and locks into place.

**Versatile** - two column heights are available which means you can quickly change from café to poseur-height and back in no time at all.

**SmartEdge** - ultra-durable urethane edging provides a perfectly sealed seamless surface with antibacterial and antifungal properties.

**Customisable** - each table can be customised with a graphic of your choice. Break free from the ordinary cafeteria look and display your school’s personality!

- Super-tough durable and hygienic table surface
- Three different diameters to suit every need

- Available in a wide range of base colours, standard and custom table finishes and edging colours

- Chrome or Black base options
- 5-year manufacturer’s warranty

- Lightweight tabletop
- Uv resistant
- No tools required
- Seamless smartedge (antibacterial/antifungal)
- Tough and durable
- Locking heavy-duty castors
- Up to 20 tabletops and bases on one cart
- Multiple column heights available
- Choice of base design

Ask about our range of Espresso-compatible chairs – they store neatly on their own trolley for maximum space efficiency and ease of use.

FREE LIFETIME WARRANTY

NO MORE BROKEN STOOLS!  
HEAVY-DUTY STEEL PLATES SECURE STOOLS AT FOUR POINTS

## HALLMARK TABLES ARE THE ULTIMATE IN FLEXIBILITY FOR SPACE-EFFICIENT DINING.

Choose from square, rectangular, round, octagonal or elliptical tables for a varied and stimulating dining environment that's durable but fun.

With options of stools and/or mini-benches or wheelchair-accessible models, two height options and hundreds of frame/table/stool finishes, school dining need never be the same again. And if you're feeling really creative, you can customise your tables with your own images or logo!

Hallmark tables fold up neatly and securely, assisted by a durable dual-spring mechanism and manoeuvre easily on large wheels for effortless set-up and put-away. They're ideal for every educational establishment from primary and secondary through to colleges and universities.

To find out more about the Hallmark range of mobile tables call us today on **0330 030 0330**

## FEATURES & BENEFITS

- Flexibility** - mix and match from the huge range of options for the best use of your dining space. Options on table shape, height and colour, seat configuration and colour, and frame finish.
- Easy Action** - dual-spring mechanism and easy-glide castors make Hallmark tables the easiest lifting and moving cafeteria tables.
- Safer Dining** - stable in both down and upright positions, thanks to dual locking latches and anti-glide legs. Stools are mounted on steel plates (not upright poles) for maximum safety and durability.

- Wheelchair-accessible** - choice of tables with combination of access for wheelchair users and standard seating.
- Customisable** - each table can be customised with a graphic of your choice; break free from the ordinary cafeteria look and display your school's personality!

- Ultra-durable and hygienic table and bench surfaces
- Practical - two different table heights to choose from and dozens of size, shape and seating configurations
- Tamper-proof and moisture resistant polyurea edging ensures longevity and hygiene
- Available in a wide range of frame and table/bench/stool colours – see availability chart on p20
- The Hallmark tables are covered by a lifetime warranty when the service and maintenance contract is signed up for at the time of order

### ANTI-GLIDE LEGS

# ConverTables

## CONVERTABLES ARE THE MOST VERSATILE SCHOOL TABLES; THE ULTIMATE 'DO ANYTHING' TABLE.

Whether you want your hall to be a dining hall, a lecture room, or an auditorium, ConverTables can do it all.

These mobile tables easily transform from a single-sided lecture table, to a useful bench to a full-sized cafeteria table with little effort, in just a few moments. They move quietly on easy-glide castors and nest neatly for easy storage in a minimum of space. Their robust design ensures they'll stand up to the rigours of education use and the 15-year warranty gives complete peace of mind.

To find out more about the ConverTables range of mobile tables call us today on **0330 030 0330**

## FEATURES & BENEFITS

**Versatile** - transform from a single-sided table to a useful bench table to a full-size cafeteria table.

**Cost-effective** - one table does three jobs and takes up a minimum of storage space.

**Safe and Stable** - eight points of floor contact including four seat-support legs.

**Lightweight** - non-marking castor wheels are quiet and ensure the tables move with minimal effort.

**Secure** - the safety latch is discreetly located under the tabletop - out of the sight of students.

**Customisable** - ConverTables can be customised with a graphic of your choice; liven up your hall and give your table an identity!

- Ultra-durable and hygienic table and bench surfaces
- Practical - three different table heights and an extended version to suit all ages; four length options for the best use of your space

- Tamper-proof and moisture-resistant polyurea edging ensures longevity
- Available in a wide range of frame and table/bench colours – see availability chart on p18
- 15-year manufacturer's warranty

### COMPACT STORAGE

Three tables store in just 2.6 x 1.2m of space with each additional table adding only 21cm in depth

### CAFETERIA SEATING

Two tables placed back-to-back become a traditional cafeteria -sized table

### CLASSROOM SEATING

Reconfigure tables in rows for lectures, study or testing

### AUDITORIUM SEATING

Arranged in rows, these units convert any room into a useful auditorium

## COLOUR OPTIONS

### STOOLS

Versa's durable table stools come in a wide range of colours as standard:

### FRAMES

Choose the colour of your table frames; we offer three standard finishes.

**140**  
LAMINATE COLOURS  
AVAILABLE

## TABLES, BENCHES & MINI-BENCHES

Versa tables are manufactured as standard using Wilsonart laminates— one of the largest ranges available today.

Our most popular laminate colours are as follows:

and there's over 140 other colours available at no extra cost, please ask for a colour chart.

Other laminate colours available include:

Colours shown are indicative only

## CUSTOMISED TABLES/BENCHES

Why not add your establishment's logo or any other image to your dining tables? It brings life to your dining hall or cafeteria, promotes interest and pride, and is proven to be more popular with students.

Your design is incorporated into the laminate so is extremely durable and will easily withstand the rigours of school life. Simply send Versa your logo or image and we'll create a sample layout design for your approval – no set-up charge and no minimum order quantity.

**ADD THE WOW FACTOR TO YOUR DINING HALL!**

## MAINTENANCE & WARRANTY

**All Versa tables are covered by a full manufacturer's warranty. Tables are guaranteed to be free from defects in original material and workmanship for the number of years specified.**

Keep your tables and Wall Pockets in full working order with our annual maintenance plan. We'll visit you and carry out essential safety checks and thorough inspections to give complete peace of mind.

Our technicians will lubricate all moving parts, make any necessary adjustments and check complete functionality to make sure you get the full use and life from your tables.

We'll tailor a maintenance plan to suit your particular installation; speak to us today for more information.
